ALUMNI DONATION PROGRAM

Flexible Payment Solutions with a Purpose

Become a trusted advisor for all Alumni Business Owners by helping them optimize their card acceptance while growing their business.

- A donation channel with exponential growth potential
- A percentage of the program revenue goes to your Alumni Association
- Participation encourages Alumni to purchase goods and services from businesses that give back

Talus Pay Advantage

Our dual pricing program can help you save significantly on your monthly processing while offering your customers payment options.

- ✓ Eliminate fees
- ✓ Works with all payment types
- ✓ Simple integration

Fair & Transparent Pricing

Our pricing is always transparent. Plus, our cost mitigation programs help you never pay more than you should.

- ✓ No hidden fees or surprises
- ✓ Month-to-month contracts for maximum flexibility
- ✓ No cancellation fees

Always-On Client Support

Wherever you're taking payments, our 24/7 client support team is here to help.

- ✓ Responsive, in-house client support team available 24/7, 365 days a year
- ✓ Proactive fraud prevention and PCI compliance services included
- ✓ Dedicated Solution Consultant

It's easy to do more for your business with Trusted Advisor Payments & Talus Pay.

Accepting payments is only the beginning. We've got you covered, from simple credit card readers to seamless gateway integrations to value-added services that can help you grow your business.

Talus Pay Advantage

The no-hassle, "set it and forget it" way to save significantly on your monthly processing.

- No long-term contracts
- Quick and easy to set up

Merchant Cash Advance

Get the cash you need to expand your business without taking out a bank loan.

- A small percentage of your credit card receivables is deducted until the approved payback amount is repaid
- No application fees, no closing costs and approval in 24-48 hours

Gift Cards

Drive customer loyalty while improving your sales.

- Boost your brand's visibility
- Options for physical, email & text gift cards

Learn more about mobile readers, recurring billing, card on file, invoicing, B2B processing solutions or other ways we can help your business save time & money.
